ROTARY DISTRICT 5220 FRIDAY FACTS

District Governor Nominee Designate

It will be my pleasure to introduce Rotary District 5220 District Governor Nominee Designate at our opening session of the District Conference on Friday. This Rotarian will serve as District Governor during the 2008-2009 Rotary year. Next week's Friday Facts will carry an article about the selection of our DGND for those not attending the District Conference.

Digital Cameras

Friday is opening day for our District Conference, and also the date of our photo contest. Both for those going on the Yosemite tour and the ones taking the nature hike. Bring your digital cameras, take pictures to be downloaded by Don Murphy and shown during the District Conference and judged. Share your artistic eye with your fellow Rotarians.

Yosemite Tour

For the Rotarians going to the District Conference, if you have not signed up for the Yosemite Tour, and would like to go, just put your name in at the registration desk. We may have a few tickets open up; we will have four buses going into the Park. It is a five-hour tour with a box lunch. The waterfalls should be spectacular.
