It's hard to believe, but one month from today, you will have a new District Governor, Dick Wyatt. I will be leaving you in good hands. It will be a wonderful year for District 5220, and Dick and Marty will have the experience of a lifetime. This is a very special district. Your generosity is extraordinary. Most recently you demonstrated this by your donations on behalf of the Don Kemplen family and the Leila Kemplen Memorial Fund. Your response was immediate. The Kemplens are getting settled in their home and there is furniture in place. Thank-you to you as individuals and as clubs.
