GSE TEAM LEADER:

We have 3 Rotarians that have applied for the position of GSE Team Leader. All of them are great candidates. Thanks for stepping up to the plate.

YOUTH EXCHANGE:

Our exchange team has returned from England with experiences that they will long cherish. Thank-you and welcome home, Jeannie and Sam. We appreciate all of your time and hard work that you have devoted to this effort.

The German exchange team has also arrived home along with our own District 5220 team. The planned activities for these young people sound great. If you can, join in the fun.

TEAM VISITATIONS:

The **Madera Club**, under the leadership of President Pablo, is off to a great start. We inducted a new member and heard about their many community activities. With a membership that includes a Past Rotary International Director, 2 Past District Governors, and 1 District Governor Elect, this is a club that has an impressive history of accomplishment. Thank-you for your donation to Rotaplast, and we look forward to attending your Halloween Ball.

Modesto East's President Fred is working hard and has a number of well-founded plans for the coming year, including a project in Iraq. They continue to work with a community-based Interact Club. They invite you to join them on August 12th at the McHenry House for their Annual Wine Soiree'. We inducted a new member and she is already signed-up for the District Membership and Foundation Seminar on August 19th at Escalon High School. Thanks so much for your donation to Rotaplast.

Police Chief Richard, the President of the **Atwater Club** is well organized and has ambitious plans. They have a goal of bringing in 10 new members. Great, I am sure you can do it! They will be busy with many community activities and are also partnering with

the Sonora clubs to do a water project in Peru. We are very grateful for your donation to the Wheelchair Foundation.

ROTAPLAST

District 5220 is partnering with one other district to do a project in Guatemala City in April. We will need about \$5,000 to accomplish what we would like to do. Any donations are appreciated.

REMINDER

Don't forget the Membership and Foundation Seminar on August 19 at Escalon High School, 8:30a.m. -2:00p.m.
