Volume 8 ♦ Issue 2

The Modesto Community Interact Club is working on their 2nd annual No-Show Gala. Hope everyone attends!

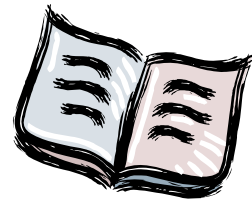

Youth Exchange programs to England and Germany during summer of 2006—Application

deadline has been moved to February 28, 2006; applications and itineraries for both trips are on the District 5220 website at www.rotary5220.org. The England trip hopes to have ten Interactors participate. If

clubs have students who are interested, please let Dave Mantooth know so that he can

pass it on to Youth Exchange Chair Sam Wheeler. Contact Dave if you have any questions.

The Modesto Community Interact Club has just finished its 2nd Catherine Everett Reading Night. I'm Pocupining! They read books to about twenty children!

Rotary Speech Contests—nearly every club in District 5220 will be having speech contests during the month of February. This year's topic is the Rotary theme of "Service above Self." Lots of cash prizes and a chance to talk on a topic that is important to every

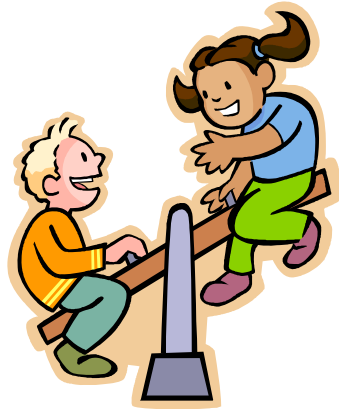

Interacter and Rotarian.

The District Leadership Conference is to be held at Escalon High School on Saturday, May 6. This conference focuses on the training of new officers so clubs are asked to have the election of 2006-07 officers prior to this conference.

2006 District Conference to be held the weekend of November 11-12 at Camp Sylvester in Pinecrest.

The next District Advisors' Meeting will be hosted by Lincoln High School Interact in Stockton on March 8.

Interactors are still working in Madera for their upcoming Ensenada, Mexico Trip. Remember, you must go once in February in order to go!

The Modesto Community Interact Club is working with the Beyer High Key Club for a cross club Trading Spaces program in which each club competes on making a room

at Laura's House, a

halfway house for mothers getting their children back, the best possible. GO INTERACT!!!!

Can't Find Your Club's Projects? Well, we can't print them if we don't have them! E-mail us your

ideas for the Interacter or your projects so we can put them in the Interacter (Pictures are greatly appreciated!).
