SERVICE Above Self

Mark's Message

We have just had a tremendous District Conference at the beautiful Tenaya Lodge at Yosemite. Sandy and I want to thank all the people who helped make it a success. First is our co-chairs Gordon and Carol Kennedy, they were there for us and we won't forget. Bill and Nelda Whiteside, our registration chairs, for a great job. Liz Hosmer and Doug Scott for a super awards program. Randy Broughton and his crew of Sergeant-at-Arms who worked above and beyond. Thanks to the ADG's and club presidents who were a part of the program. And, people like Leon, Gary, Dave, Ron, Rick, Don, Fern, Dick, Brian, Susan, Donna, Bob, Bill, Michele, Diana, Val, and Dorothy, just to mention a few.

It was a pleasure to host, at our home, our brother and sister from Honduras, Miguel and Ana Cristina Morazon, both prior and after the District Conference. They are special friends, and only because we are a Rotary family.

This time of the Rotary year is a time to reflect, and complete some of the goals we have set for this year. Our Foundation giving and membership goals are the strength and future of our clubs. If clubs have funds, which are earmarked for The Rotary Foundation, now is the time to send them in.

I am still visiting some clubs, as I find time, as well as putting together reports for RI. We are still impressed with the wonderful clubs in District 5220. I am proud to serve as District Governor of such a wonderful District.

With "Rotary Pride"

Mark Oliver, Governor, District 5220
