## Mark's Message

This is the last issue of the Rotary Times for my year as District Governor. I want to take this forum to thank the many people in our District who have made this a wonderful year for Sandy and me.

The first group is the Assistant District Governors, twelve people who have been my point person with the clubs. These special people would make great District Governors if ever they decide to stand for the office. This group of special people has made me proud of District 5220 and them.

The other group of people is the 55 men and women who lead their clubs to great years in Rotary. The Club Presidents are the souls of their clubs, and their personalities show thru. It is a pleasure as District Governor to see so many of the Club Presidents just blossom as club leaders. It is an experience that every Rotarian remembers with pride. Sandy and I will remain in touch with as many of our Club Presidents as we can, and hopefully, we can have a reunion at Bob and Betsy's District Conference next May.

The District Committees are composed of over 200 dedicated volunteers who help make our District one of the best in the Rotary world. They are involved in all avenues of service as well as special meetings and functions and the administration functions that make our District run smoothly. My special thanks for all the hard work of our volunteers.

Sandy and I also want to thank Bob and Betsy Hobbs for their support and we pledge our support to our new District Governor and Betsy. We wish them all the best, and we know they will enjoy their club visits.

With "Rotary Pride"

Mark Oliver, Governor, District 5220
