## CALAVERAS ROTARY CHRISTMAS FOOD BASKETS

*Sponsored by the Angel-Murphys Rotary Club, West Calaveras Rotary Club and the Angels Camp Centennial Rotary Club, Provisional*

Started during the holiday season in 1982, the Calaveras Rotary Christmas Food Baskets for the Needy project brought joy to 257 families in 2003. The first year, 25 Rotarians contributed and delivered eight baskets. Now the three Rotary clubs, Interact Clubs, and numerous community businesses and service organizations raise tens of thousands of dollars to help hundreds of families in the area. One of the unique things about the gift boxes containing ample food and toys is that they are always packed in banana boxes, a signature feature that brings requests from the recipients of the donations for the "Rotary banana box people."
