

The Paul Harris Society

~from a memo by PDG Phyllis Nusz—”The Paul Harris Society is not something new to Rotary because many districts in California have had such a program in place for some-time, but it is new to District 5220. The purpose of the program is to encourage Rotarians and friends to pledge a minimum of \$1,000 per year to The Rotary Foundation. With this, the donor will receive a special metal ribbon that can attached to a Paul Harris pin. The donor will also be able to designate who will be honored by their donation, and if for some reason finances do not allow a donor to continue in the Society, they may withdraw at anytime. The Paul Harris Society of District 5220 is one way for us to say “thank you” to The Rotary Foundation for what we have received and to ensure that we will be able to continue working to improve the lives and living conditions of people who are less fortunate within our communities and around the world.”
