## Sonora Sunrise Rotary Wood Cutting Event

*by Jim Barth*—The Holiday Season brings our annual wood cutting event to benefit Sonora Seniors with free truck loads of firewood. Each year through the generosity of Blue Mountain Minerals, who purchases/ provides the logs, and members of Sonora Sunrise Rotary, who cut and split the logs, team up to deliver pick up loads of firewood to needy Sonora seniors. Names are selected through the local Senior Center for those who will receive wood.

This year cutting/splitting wood were Tom Conrad, Don Frazer, Past President Dr. Jim Riggs, Milt Camp, Jerry Nielsen, and Henry Nielsen. Delivering wood to our local Seniors were Dr. Jim Mosson, Dr. Tom Drakes, Howard Autry, Jerry Kahl, and Jim Barth. This annual event is just one of the ways Sonora Sunrise Rotary finds ways to assist the community, especially in this time of giving..
