Mark's Message

December is "Family Month" in Rotary and what a perfect time to celebrate the "Family of Rotary". It is a time to involve the entire family of Rotarians in the social and work projects of the clubs. Sandy and I have enjoyed meeting so many of our Rotary family members on our club visits, what they continue to accomplish in their communities and the world is amazing.

In the December issue of the Rotarian Magazine, President Carl-Wilhelm Stenhammar asks every club to establish a "Family of Rotary" committee. If your club does not have one, Carl-Wilhelm asks the club to establish one in December.

In this special month, Sandy and I wish you and yours the best and most joyous of holidays, and happy New Year. Rotarians and their family members are very special people to us.
