SCORE WITH ROTARY

GOVERNOR BOB'S COMMENTS:

This month we attended the Zone Institute (for Zones 23 & 24) in Coeur d'Alene, Idaho. It was a great

ADG Liz Hozmer and RI President Bill Boyd

conference with inspirational speakers in an absolutely beautiful setting. The theme was "The Miracles of Rotary". And we truly saw the many miracles that Rotary creates during

the informative presentations. We are so proud to be part of this organization. President Bill Boyd and his wife, Lorna went with my fellow classmates and us to a casual dinner on Friday night. We are fortunate to have such a down-to-earth, approachable RI President. They are a very gracious couple. DGE Dick and Marty Wyatt completed their GETS (Governor Elect Training Seminar) at this location. They were officially "presented" in a ceremony on Thursday night, and a reception was given in their honor on Saturday. DGN Janine McClanahan and her husband, Jim successfully completed their GNATS (Governor Nominee Advanced Training Seminar) during this same time

period. This just illustrates the love Rotary has for acronyms and training. It is all for a good purpose, however.

Our mood became quite somber when we heard the tragic news of the loss of the Yosemite Rotary Club President, Steve Medley. He was a very special man who will be sorely missed. Please keep his family, his club, and the Yosemite community in your thoughts and prayers.
