### CLUB CHRISTMAS PROJECTS

**Turlock Sunrise Rotary Club** recently helped feed the homeless in Turlock for Christmas. This is a photo from the We Care Homeless Shelter in Turlock. They are able to accommodate around 60+ people. In the photo from left to right are Turlock Sunrise members, Ismael Tovar, Manuel Mello, Turlock Sunrise President Rowena Ballard, Marvin Scott and Siena Wall from the Turlock Noon Club.

Over the past 30 years the Rotary Club of Turlock has recognized and honored thousands of students from every public and private high school in the Turlock area. Not only does this provide appropriate recognition and reinforcement to these deserving teens, but it also conveys an understanding of Rotary to many future Rotarians.

SANTA visited children in **Newman**, giving toys and food to needy families.

**GUATEMALA WATER CISTERNS:** The team to help install rainwater cisterns in Guatemala will be leaving on March 25 and returning on April 2. If you are interested in going, contact John Anderson at [john@jbandersonplanning.com](mailto:john@jbandersonplanning.com). And if your club has pledged to support the project but has not yet sent in all of the money, please do it very soon.
