**DISTRICT CONFERENCE 2009**

Oakdale Sunrise Rotarian Bill Camp has prepared a great promotional graphic for the 2009 District Conference suitable for use on your club website, in your club bulletin, or in other publications or flyers aimed at your own members. As you know we are encouraging folks to take advantage of savings by signing up early. Rather than sending you the art work and risk having it end up in a spam folder, we've posted it to the district website at <http://www.rotary5220.org/Calendar/confreg09.htm>.
