**It's time to think about club exhibits for the District Conference!**

If you have yours well under-way, good for you! If your club has never done an exhibit, or you are not sure what should be included, here are some tips:

- Choose the project or fund raiser you are MOST proud of.
- Purchase a tri-fold cardboard display board (inexpensively available at office supply stores)
- Enlarge three or four good pictures of your chosen project. (Keep them simple and BIG)
- Print some 'how to' text—
  - \* how the project was chosen
  - \* who the contacts were
  - \* what work was involved
  - \* the outcome

Conference attendees will have the opportunity to vote for the exhibit they find the **MOST INFORMATIVE**

The club exhibits will be housed in the Portola lobby immediately outside the grand ball room of the Portola Hotel. To reserve your display table, email [liz@capitoldoor.com](mailto:liz@capitoldoor.com)
