A Beautiful Weekend in Monterey April 29—May 1, 2005

In the heart of Old Monterey, just steps from Fisherman's Wharf, there is a resort hotel with service that is as memorable as the view. The Portola Plaza Hotel is located in the middle of everything that is the Monterey Peninsula.

This is the setting for our 2005 District Conference! What a beautiful setting to CELEBRATE ROTARY! We all should be proud of what WE have done to make the world a better place for mankind! Meet with other Rotarians and spouses for fun, friendship, and celebration. See projects right here in our district and brag a little about your club. Which club will be the **BEST IN THE DISTRICT** this year? Which has the best community service or international project? Be there to find out!
