Dan Walker Day

Dan and Johnnie Walker

~by Bill Lina—The event that took place on "tax day" was not "taxing" for any of those who took part in the celebration of the many accomplishments of PDG Col. Dan. It was a day of thanksgiving, recognition, and love for a gentleman who has served his Country, Rotary, and the community for many, many years.

Included during the luncheon at the Elkhorn Golf and Country Club were speeches and multiple accolades given by representatives from the Good Will Industries, the Lodi Girls and Boys Club, the Retired Military Officers Association, by Stockton East members and other local Rotary club members, as well as from several

Director of Lodi Boys and Girls Club Richard Jones, congratulates Johnnie.

former Past District Governors. Among the many notable occurrences was the naming of a training room at Good Will after Col. Dan in recognition of his long tenure as an officer and member of the Board of Directors of the GOODWILL INDUSTRIES OF SAN JOAQUIN VALLEY, and a proclamation from the Mayor of Stockton.

A large turnout of friends and associates greeted a surprised Dan and his lovely and lifelong supporting wife, Johnnie. Even though it was a formidable task, due to Dan's keen awareness of what is going on around him, Johnnie managed to keep the surprise luncheon in Dan's honor a secret until they arrived at the door!

It was a great day for all who attended to honor a man we all admire and respect.

VOCATIONAL TOUR

Vocational Tours give Rotarians and Family the opportunity to develop a better understanding of the contributions made by other

vocations, and the environment in which that occurs.

The Riverbank Rotary recently held an "Away" meeting at Stueves Family Dairy. DG Dave Gallagher and the Dairy Princess joined the crowd. Family members accompanying Rotarians enjoyed full participation.
