Club Member Name: _____ (used to help the Membership Committee with contact for further details if needed)

Ideas for inclusion:

- Similar Classification

- Former Ambassadorial Scholars, GSE Team Members, Rotaract, etc.
- Retired but previous senior ranking individuals

Try to complete as many names as possible (as they come instantly to mind). Don't dwell on the contact and address information, it can be furnished later. Include names even if they have been asked before, or if you think they are to busy. Go through your Address Book, Rolodex, business card holder, PDA, etc. to remind you of additional names, ask your spouse. Everyone can list 3 to 10 or more names.
